How GEL IELTS is organised

- ✓ There are 25 Academic or 15 General tests available. Each test has 4 sections: Reading (3 parts), Listening (4 parts), Writing (2 tasks) and Speaking (3 tasks).
- ✓ You choose how to use these tests. Practice by topic under **Guided Skills (/guidedSkills)**. Take a full test under **Mock Tests (/mock)**, or focus on sections, parts and tasks under **Practice (/practice)**.
- ✓ You only see the materials you are using. When you finish one thing, another becomes available.
